

WILLA ROSE FLORAL

Class Options

Each class can be booked as a private or group session.

Centerpiece: Student spends 2 hours learning the in and outs of centerpieces with me. We will go over the different flowers used and what flowers fill what roll. We will make natural, foam free centerpieces. I will talk to student ahead of time to choose a color palette they like. Student will get to take home the centerpiece they make including a locally made ceramic vase. I'll provide all supplies, plus drinks and snacks. \$300 for one person + \$150 for each additional participant.

Hand tied bouquet: Student will spend 2 hours with me learning my techniques for building a hand tied bouquet and about the different flowers we use. I will show a few different methods and student can practice them all. Student will go home with their bouquet and can choose between a variety of locally hand dyed silk ribbons to wrap their bouquet in. I'll provide all supplies, plus drinks and snacks. \$300 for one person + \$150 for each additional participant.

Flower tattoos: Students will learn what flowers do well on tattoos and the mechanics of how to make one. Student will build their own tattoo that they can take home. I'll provide all supplies, plus drinks and snacks. \$225 for one person + \$110 for each additional participant.

Succulent and Flower jewelry: Student will learn how to make succulent and flower jewelry and make their own ring, necklace and earrings that they can take home. We will discuss where to source succulents, flowers and jewelry bases, and what succulents and flowers last the longest on the jewelry. We will use a mix of dried and fresh blooms cut fresh from the garden. The jewelry will last weeks and after that the succulents can be replanted! I'll provide all supplies, plus drinks and snacks. \$225 for one person + \$100 for each additional participant.

Flower headpiece: Students will learn how to build a floral headpiece and will get a variety of fresh and dried flowers to work with. Student will go home with their piece. I'll provide all supplies, plus drinks and snacks. \$250 for one person + \$150 for each additional participant.

Pressed flower window: Student will learn my techniques for pressing, mapping out the flowers on window and how to secure them on. Student can go through my entire collection of pressed flowers and build their own piece. I'll provide all supplies, including an antique window, plus drinks and snacks. \$350 for one person + \$175 for each additional participant.

Flower Farming 101: This workshop is geared for home gardeners, new gardeners, or someone interested in starting a flower farm. Student will learn planning methods,
